Website Team

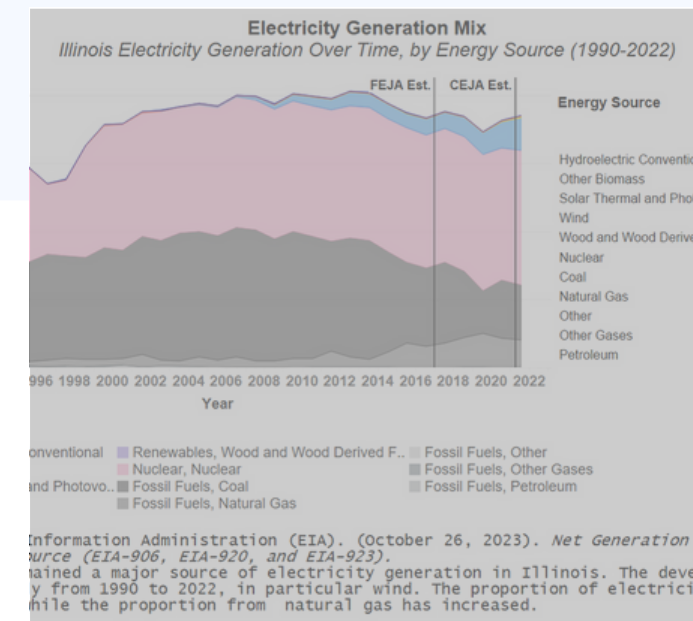

Finding the Dashboard's Purpose and Goals

- ✓ Showcase the renewable energy development within and outside of Illinois' Renewable Portfolio Standard
- ✓ Convey the progress of renewable energy development within data visualizations
- ✓ Communicate the IPA's role in the clean energy transition to stakeholders
- ✓ Create an educational tool to provide easier-to-access answers to questions that arise frequently

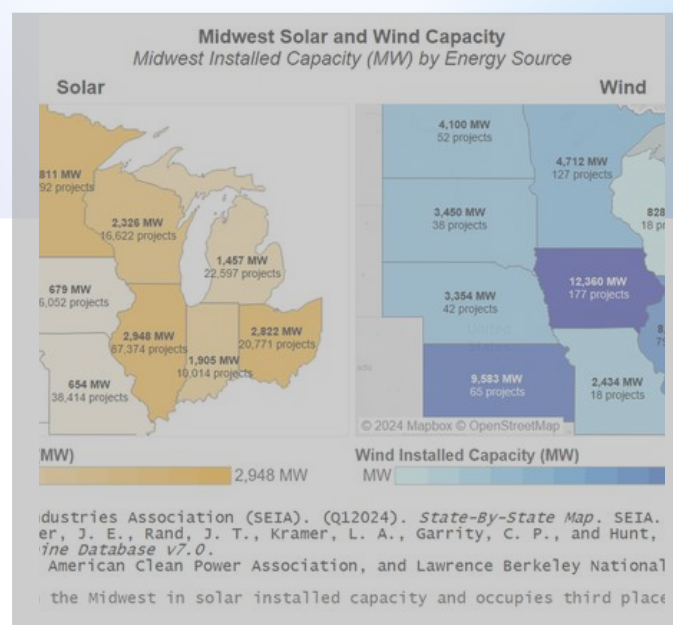

7 Categories

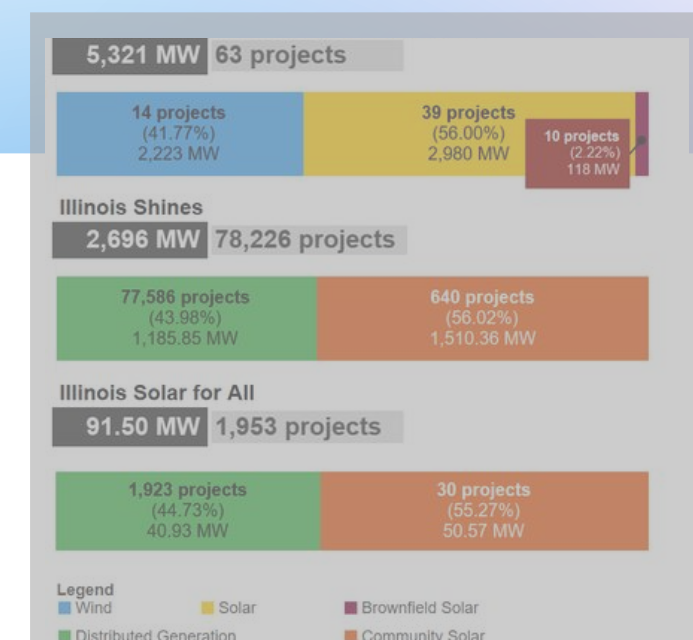

Phase I

Electricity Generation Mix

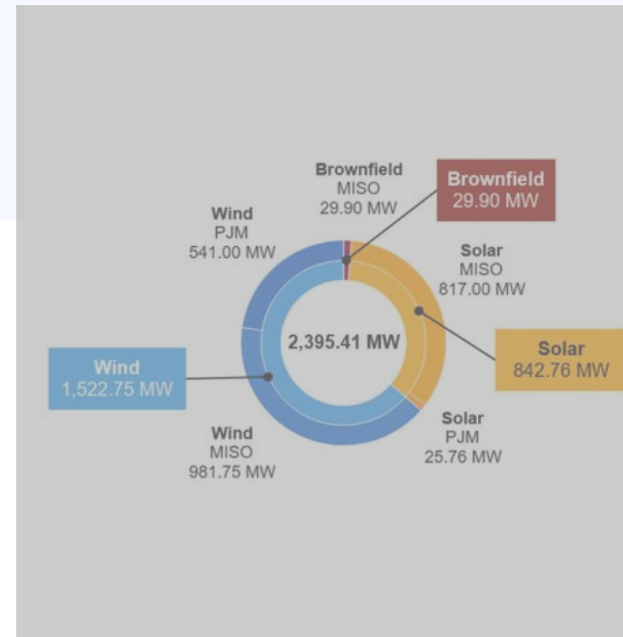

Midwest Solar and Wind Capacity

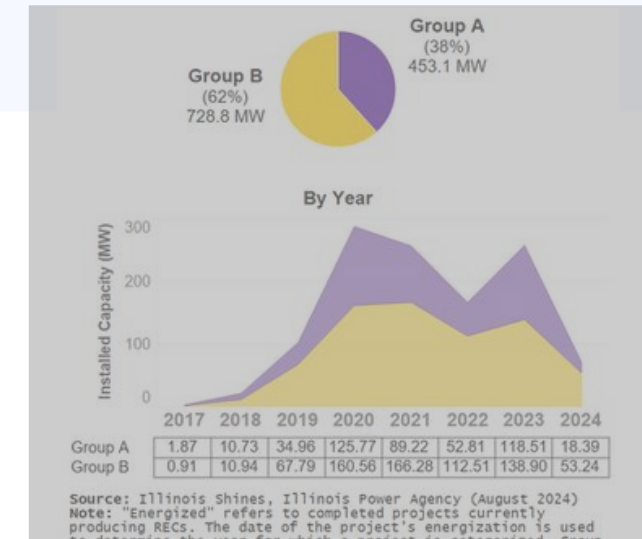

IPA Initiatives

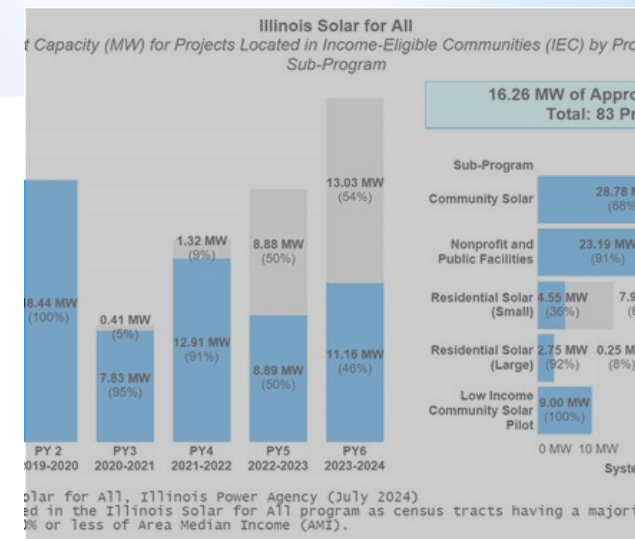

Phase I

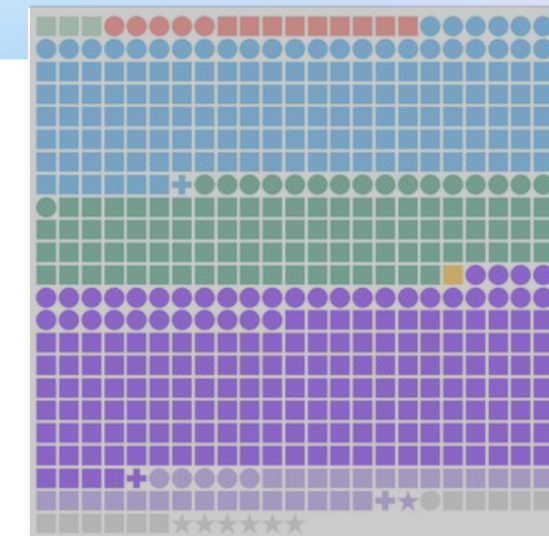

Competitive Procurements

Illinois Shines

Illinois Solar for All

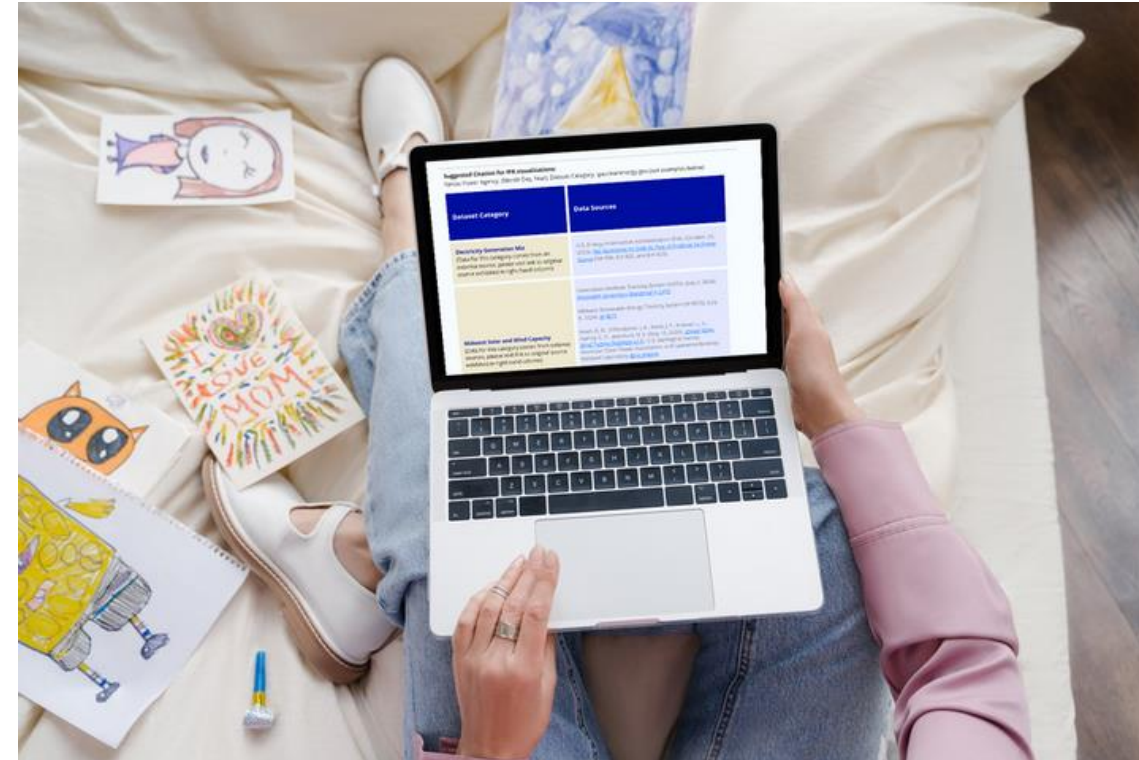

Equity
